Dear Chris,

The Eleanor J. Johnson Youth Center Staff and Members would like to take this opportunity to express our gratitude for your contribution of \$15,000. Our program relies solely on private contributions and fundraisers to implement our after-school and summer programs for children "at-risk" and every dollar donated is very precious to us.

We serve a population of 150+ children in our after-school and summer programs. If we did not have the support from wonderful people such as yourself, it would be difficult, if not impossible to provide these positive programs that influence the lives of our children.

We can't say it often enough or in any other way. Thank you so very much for supporting our programs.

Sincerely,

Todd Gatlin
Executive Director
