Dear Ms. Slusher and Friends:

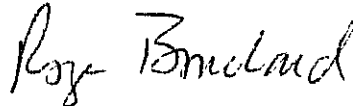

Thank you so much for your gift to help us continue our mission of preventing juvenile delinquency. A warm, caring home coupled with a solid education and a good work ethic gives a needy and deserving youngster the necessary tools to live a lawful, productive life.

It is a pleasure to see children change right before your eyes. They will come into our programs angry about their circumstances and at people in their life that hasn't protected them. Some months later, they will come up and shake your hand with a big smile on their face. That is when we know our programs are making a difference.

When children recognize their future is bright and they are in charge of their destiny, you know they are going to be successful. Thank you so much for your support of our work with at-risk youngsters.

Please feel free to visit any of our programs at any time. I know the children would love to show you around and this would give you a first hand look at what you are helping support. If I can ever do anything for you, don't hesitate to give me a call at 800-765-3797.

Sincerely,

Roger Bouchard
President
