Dear Emerald Coast Foundation,

Thank you for being a close friend of the Emerald Coast YMCA. Your charitable contribution of \$20,000 is making a positive difference in the life of a child...a huge difference! At the YMCA, we believe that if every child is given the opportunity to participate, he/she will achieve a higher degree of self-esteem and develop a stronger values system.

This year the Emerald Coast YMCA will provide over 1,000 scholarships to those in need throughout our local communities. Because of your generosity, every child will be a winner! In addition, we have successfully raised \$130,194 towards our \$165,000 goal. If you are able to make an additional contribution helping us reach our goal, that would be a blessing.

In closing, we thank you for helping the YMCA in building strong kids, strong families and strong communities.

We appreciate you,

Joe Casal
